ONLINE WEBINAR

SUPPORTING CHILDREN'S SENSORY NEEDS

- IN PARTNERSHIP WITH PRIMARY CARE OCCUPATIONAL THERAPY

An online parenting webinar delivered by the Midwest Primary Care Child and Family Psychology Service, in partnership with Primary Care Occupational Therapy.

When:
Tuesday 10th February,
10am - 12pm Online.

For Who?
Parents and caregivers of children in the Midwest, or professionals working with children.

To attend, please contact PrimaryCareChildAndFamilyPsychologyService@hse.ie with your name and email address. You will then be required to complete a short screener form.

Alternatively, you can contact 087 345 1489 to register. If your call is unanswered, please leave a voicemail and we will get back to you before the registration deadline.

Please note: Registration closes on Friday 6th February at 12 noon.
